Nodiadau ar unedau rhynglanwol a phell o'r lan:

Oherwydd cyfyngiadau'r raddfa nid yw pob uned rynglanwol wedi ei labelu. Fodd bynnag, mae'r unedau hyn wedi eu rhifo'n 24a o 24b. Gweler y map ar gyfer dosbarthiad.

Mae pob craig a stac pell o'r lan wedi eu labelu â rhif uned 25 ac yna wedi eu hisrannu ymhellach i'r gwahanol ddynodiadau gwaelodol, 25a, 25b o 25c, i bwrpas cofnodi. Fodd bynnag, maent i gyd yn cael eu rheoli yn yr un ffordd.

Notes on off-shore and intertidal units:

Due to the limitation of scale not all intertidal units are labelled. However these units are numbered 24a or 24b. See map for distribution.

All off-shore stacks and rocks carry unit number 25 but are further sub-divided to the various underlying designations, 25a, 25b or 25c, for reporting purposes. However all carry the same management.
